rate of \$119. (If the reservation is made in the required time frame.) Flyers will be put out.

If we have larger than 25 tables for a sectional we have to have an ACBL Certified Employee Directing. These costs are quite high.

Kathy Downen explained to the board that the in coming Vice President would need to have a key to the storage so as to take the supplies out for the tournaments. The Table Markers, Bridge Mates, Bidding Boxes etc. These all need to be gone thru at least once a year to make sure that the batteries work, and all need to be wiped off with sanitizing wipes. Sue Hanni and Pat Armstrong volunteered to help Kathy get these done.
